

Dauer Morpheus vs. WAC Grand Accent

Adjustable from anywhere. Not from a ladder.

10,000+
BEAM COMBINATIONS

Two-axis liquid crystal, no optics to swap

16°–70°
APP-ADJUSTABLE RANGE

Set and saved from the Dauer Smart App

2,289 lm
PEAK DELIVERED OUTPUT

14% brighter than Grand Accent at maximum

18
SMART CAPABILITIES

Grand Accent offers none of them

● MORPHEUS ADVANTAGE ● GRAND ACCENT ADVANTAGE — EVEN

SPECIFICATION	DAUER MORPHEUS 490400-2700K · 490400-3000K	WAC GRAND ACCENT 5211-27BBR · 5211-30BBR	ADVANTAGE
PERFORMANCE & ELECTRICAL			
Beam Angle Range	✓ 16°–70°, app-controlled	15°–60°, manual twist	●
Beam Adjustment Method	✓ Liquid crystal, no moving optics	Manual rotation, locked in place	●
Independent X / Y Beam Control	✓ Yes — X 16°–70°, Y 16°–70°	No	●
Beam Combinations	✓ Over 10,000	Fixed beam per setting	●
Preset Beam Angles	✓ 16°, 25°, 35°, 45°, 70°	15°, 25°, 30°, 60°	●
Vertical / Horizontal Modes	✓ Yes — 16°x70° and 70°x16°	No	●
Max Delivered Lumens	✓ 2,289 lm	2,000 lm	●
CRI	85	85	—
Color Temperature	2700K · 3000K	2700K · 3000K	—
Rated Life	✓ 50,000 hours (L70)	45,000 hours	●
Input Voltage	9–15 Vac · 50/60 Hz	9–15 Vac · 50/60 Hz	—
Rated Wattage	✓ 26 W	35 W	●
Transformer Load (VA)	✓ 32.30 VA per fixture	42 VA per fixture	●
Dimming	✓ 0–100%, app-controlled	Manually adjusted 15W, 18W, 25W, 30W, 33W	●
CONSTRUCTION & COMPLIANCE			
Housing	Cast brass	Solid die-cast brass	—
Finish	Weathered brass	Bronze on brass	—
Fixture Weight	✓ 5.2 lb	7.2 lb	●
Ingress Protection	IP65 · Wet location	✓ IP66	●
Mounting	Threaded ½" NPT · full-rotation knuckle	Same	—
Shroud	3" shroud included · 6" optional	Detachable shroud included	—
Lead Wire	5 ft 18/2 pigtail	6 ft lead wire	—
Listings	UL Listed E551821 · FCC marked	UL 1838 Listed	—
Warranty	✓ 10-year limited	Refer to WAC limited warranty	●
Patent Status	Patent Pending	Patented	—

SMART CAPABILITIES

18 capabilities. One fixture.

CAPABILITY	DAUER MORPHEUS 490400-2700K · 490400-3000K	WAC GRAND ACCENT 5211-27BBR · 5211-30BBR
Smart App Control	✓ Yes — Dauer Smart App, iOS & Android	— No
Wi-Fi Connectivity	✓ Yes — 2.4 GHz	— No
Bluetooth Connectivity	✓ Yes — Bluetooth LE	— No
RF Pairing Clicker	✓ Yes — included	— No
Remote Beam Adjustment	✓ Yes	— No
Remote Dimming	✓ Yes	— No
IP Addressable	✓ Yes — per-fixture IP node	— No
Scene Creation & Recall	✓ Yes	— No
Kinetic Lighting Effect (KLE)	✓ Yes — programmable loops, 1–60 sec	— No
Astronomical Timer	✓ Yes — sunrise/sunset with offsets	— No
Scheduling	✓ Yes — per-day and weekly rules	— No
Fixture Grouping	✓ Yes — across multiple transformers	— No
Geofence & Away Mode	✓ Yes	— No
Per-Fixture Naming	✓ Yes — synced to cloud	— No
Multi-User Access	✓ Yes — scoped permissions	— No
Voice Control	✓ Yes — Alexa & Google Assistant	— No
OTA Firmware Updates	✓ Yes	— No
Health & Diagnostics	✓ Yes — live signal, firmware, fault state	— No

Where Morpheus Wins

- **Beam control without a ladder.** Morpheus reshapes its beam from 16° to 70° on both axes from the app. Grand Accent requires a technician at the fixture to twist and lock a single beam angle.
- **Brighter at peak, lighter on the transformer.** 2,289 delivered lumens against 2,000, at a 32.30 VA fixed load versus a 44 VA peak — more fixtures per run, and more light from each one.
- **A fixture that gets better after install.** OTA firmware updates, cloud-saved presets, and per-fixture diagnostics mean the system Morpheus ships with is not the system it stays.
- **Automation built for landscape.** Astronomical timing, group scheduling, geofencing, and Kinetic Lighting Effect loops — a category of capability Grand Accent does not offer at any price.
